

On the application of the Heirs of Ulrich Wuthrich dec<sup>d</sup> for pay for services of said Wuthrich in Capt. Tolson's Company 1842, in what was known as the Wasquey Campaign.

Personally appeared before the under-signed, Louis Capt. and B. H. Butts, both to me well known, who on oath say:

We were well acquainted with Ulrich Wuthrich in his lifetime and know that he was enrolled as a private in Capt. Tolson's Company on 6th March 1842, in what is known as the Wasquey Campaign, and served in said Company for six weeks, until the Company was discharged by the order of the Secretary of War. Defendants were both members of said Company, for which service they have received pay, and consider that the Heirs of said Ulrich Wuthrich dec<sup>d</sup> are entitled to the pay for which they now apply. Defendants further state that the said Wuthrich was accidentally killed, in Bastrop County, during the summer of 1844, as they have been informed by those personally present, and verily believe

Subscribed & sworn to before me,

this 12th October 1857.

Louis Capt. B. H. Butts
